#### Activities Report - Cancer Awareness and Early Detection Camps Total Camps 50 State Cover:- Punjab, Jammu & Kashmir, Rajishthan

We are delighted to present an extensive report summarizing the impactful activities carried out by the Cancer Care Charitable Society in collaboration with Cancer Treatment Services Hyderabad company. This collaboration was executed under the Memorandum of Understanding (MOU) from April 1st, 2022, to March 30th, 2023.

Activities: Throughout this year, Cancer Care embarked on a mission to educate, prevent, and facilitate early detection of cancer. A remarkable total of 50 Cancer Awareness and Early Detection camps were organized across various regions, including Punjab, Jammu & Kashmir, Himachal Pradesh, and Rajasthan.

**Services Provided:** Our camps offered a comprehensive suite of services, including Mammography, Pap Smear, PSA (Prostate-Specific Antigen) Testing, Intra Oral Screening, Bone Density Testing, CBC (Complete Blood Count) Testing, General Medical Consultations, Blood Pressure (BP) Testing, and Diabetic Screening. These services were meticulously designed to empower individuals with the knowledge and tools necessary for early cancer detection.

**Community Participation:** The impact of our initiatives was truly heartening. Thousands of individuals, hailing from diverse backgrounds and regions, actively participated in these camps held at multiple locations. Our dedication to education and screening resulted in communities equipped to take charge of their health and well-being.

Acknowledgment: We express our deepest gratitude to Cancer Treatment Services Hyderabad company for their unwavering support. Their commitment played a pivotal role in the resounding success of these camps and our overarching mission to eradicate cancer.

**Continued Support:** Cancer Care Charitable Society remains steadfast in its mission of cancer prevention and support for those affected by this disease. We wholeheartedly thank all supporters and partners who have stood by us in this noble cause, and we look forward to their continued support in the future.

**Conclusion:** The year-long endeavor of organizing 50 Cancer Awareness and Early Detection camps stands as a testament to our unwavering commitment to cancer prevention and early

intervention. These efforts have not only educated and empowered communities but have also brought us closer to our ultimate goal - the eradication of cancer from our society.

In conclusion, we extend our heartfelt gratitude to all who have been a part of this journey, and we eagerly anticipate further collaborations for the betterment of our communities and the realization of a cancer-free future.
