Achievements and Observations

1. **Successfully conducted 3 camps** in Hoshiarpur, registering 1,093 individuals (389 males and 704 females).
2. **Performed 42 mammograms, 26 PAP smears, 19 PSA tests, 134 oral screenings, and 843 bone density tests.**
3. **Detected 94 individuals** with high diabetes levels and **108 cases** of high blood pressure.
4. **Provided cancer awareness sessions** and screenings to rural communities, ensuring free healthcare access.
5. **Used advanced medical equipment and skilled teams** to conduct efficient screenings.

Vardhman Factory Hoshiarpur, in collaboration with World Cancer Care, is conducting cancer screening camps across villages in Hoshiarpur. Recently, camps were held in Dhugga Kalan, Talwara, and Bassi Kalan. At the Talwara camp, ADC Amritsar Shri Surinder Ji, appreciated Vardhman's CSR initiative. At our hometown Talwara, MP Dr. Raj Kumar joined as chief guest at village Bassi Kalan, along with Vardhman Officer Mr. Pradeep Dhadwal. Special thanks to Shri R.R. Bhatia Ji for his valuable support.

The CSR initiative by **Vardhman Yarns & Threads Ltd**, in partnership with **World Cancer Care**, has made significant progress in cancer awareness and early detection. These camps have provided crucial **free screening and health education** to underserved populations. **Continued efforts in the coming months** will further expand outreach and improve public health outcomes.
